This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Charleston Black Cab Company (Charleston Black or the Company) for an extension of time until January 31, 2009, to file the Company's Annual Report. Charleston Black is presently certificated by the Commission to operate under a Class C Charter Bus Certificate (Docket No. 2006-235-T), Class C Charter Certificate of Public Convenience and Necessity (Docket No. 2005-361-T), and a Class C Certificate of

Public Convenience and Necessity (Docket No. 2005-362-T) to render motor passenger service in South Carolina.

S.C. Code Ann. Regs. 103-231 requires every motor carrier operating under a Certificate of Public Convenience and Necessity to file with the Commission and the Office of Regulatory Staff (ORS) on or before March 31st of each year an annual report for the preceding calendar year ending on December 31st. By request filed September 11, 2008, Charleston Black seeks an extension of time until January 31, 2009, to file the Company's report. Charleston Black advises that the Company's financial year runs from May 31<sup>st</sup> to May 31<sup>st</sup>; therefore, the Company's pending report for which an extension is sought would be for the period May 31, 2007 to May 31, 2008. According to Charleston Black, it was necessary for the Company's accountant to request an extension for filing of the Company's income tax returns thereby necessitating an extension for filing the required Annual Report.

Upon consideration of Charleston Black's request, we find that the request should be granted.

IT IS THEREFORE ORDERED:

1. That the request of Charleston Black Cab Company for an extension until January 31, 2009, to file the Company's Annual Report is hereby granted.
